Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Flaxseed oil can help maintain cellular health.*
- (2) Flaxseed oil can help maintain a healthy flow of blood through the circulatory system. The alpha linolenic acid in flaxseed oil maintains the free flow of blood through the circulatory system in several ways.*
- (3) Flaxseed oil can help support immune system functions.*

These statements are made for a dietary supplement containing flaxseed oil, beeswax, bovine liver fat extract, bovine orchic glandular extract, and pyridoxine hydrochloride. The name of the product is Cataplex F Perles®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
